

Virtual Volunteering-

Making Summer Care Kits for Pathways of Hope

ABOUT THIS VIRTUAL PROJECT:

During the coronavirus pandemic volunteers are needed to assemble summer care kits and you can help from the safety of your own home as **Virtual Volunteers**. The summer care kits you make will be distributed to our clients. We currently have 170 people in our shelters, and up to 40 households visiting the HUB in a day. This project can be a family project. Thank you so much for your help!

ABOUT PATHWAYS OF HOPE:

Pathways of Hope is a nonprofit organization that serves families and individuals throughout North Orange County. For over 46 years Pathways of Hope has been providing food, shelter and support and prevention services to the hungry, homeless, and marginalized through assistance of local congregations, volunteers, businesses and grants from foundations and government agencies.

The Pathways of Hope HUB of Hope offers emergency food and other needed items to homeless, low-income families and individuals. It is also a walk-up center for individuals and families seeking housing assistance.

To learn more about Pathways of Hope, please visit www.pohoc.org.

GENERAL INSTRUCTIONS:

Collect Items

You can be a bit creative with the items that you include, however keep in mind that these kits may be carried around everywhere and thus should not be too heavy. A suggested list of items is listed here, but do not feel required to include all of them. They are listed in order of need:

- **Water bottle**
- **Face Mask (fun design)**
- **Sunscreen**
- **Hand wipes and hand sanitizer**
- **Chapstick**
- **Sun Hat (visor, ball cap, floppy hat with a brim)**
- **Sunglasses**
- **Socks**
- **Granola bar**
- **Fruit snack**
- **Crackers with peanut butter or cheese**
- **Gift certificate to fast food**
- **Band Aids**
- **Pack of facial tissues**

Create Bags

Now you are ready to assemble! We recommend placing the items in a large Ziploc bag, cinch sack or small backpack for easy carrying.

DROP OFF INSTRUCTIONS:

Once your summer care kit(s) has been completed you are ready to drop them off.

Drop off location: The HUB of Hope 611 S. Ford Ave, Fullerton CA 92832

Days and Times: Monday through Friday between 9:30am-11:30am. If you need an afternoon time, we can accept donations at 4pm.

These are the drop off times that have been created for the safety of our staff and volunteers to maintain social distancing. Please park and knock on the right blue door and a volunteer or staff member will collect the care kits. You will not enter the building.

Your donation will help keep our most vulnerable population more comfortable this summer. Thank you!
